

Group Contract

The group contract holds the working agreement between all members of our Project Playground group. The contract has been agreed upon by each member. If a member of the group fails to act accordingly to the stated agreements the group will report the actions (or inactions) of that person to the course teacher.

1. Group members consist of :

- Isla
- Umair
- Riche

2. The group is to spend 4 hours working TOGETHER on the project on each of the following days: Friday, Saturday and Sunday. Totally to 12 hours group work per week.

3. If any member is going to be absent or unable to attend a group meeting they must inform the group beforehand.

4. The work of the group is to be divided equally.

5. Work should be submitted by the appointed member for that task.

6. If any group members are having issues with the assigned work or tasks then they should raise the issue and ask for help.

7. Communication is vital and is required for all circumstances. Whatever actions are taken or tasks cannot be completed it's important to inform the other members.
